

This town report is dedicated to William A. Weeks, a life long community member and town officer.

"Bill" was born in Clarendon, November 27, 1917. He attended Clarendon schools and operated the family farm with his father, Amherst Weeks, for many years. His main interest had always been in cattle.

Bill started a business dealing with high quality breeding of cattle. His business was so successful that Bill traveled to many foreign countries and actually introduced "high breed" holstein to some of these countries.

Perhaps, because Bill's father, Amherst Weeks, was town moderator for so many years, Bill became very involved in town government. He was a town historian with considerable knowledge of the town and the towns people. Bill also served the town as Lister, Planning Commissioner, and Auditor, for many years. His good humor and contributions to our town will surely be missed.

William A. Weeks
11/27/17 - 01/20/94

Bill Weeks through his punctual and constant attendance at Select Board meetings, and thoughtful questioning of board members about actions they were about to take, referenced the law and the rights of the People of Clarendon, through gentle prompting "and some not so gentle prompting", which educated many New Board members.

Respectfully,
Rep. Alphonse Bourassa
Past Board Member 1984 - 1990

1993 SELECTMEN'S REPORT

The board of selectmen meet at the Town Hall on the 2nd and 4th Monday of each month. All meetings are open to the public and the town hall is handicapped accessible. All citizens are welcome to attend and participate in your town government. Your input is important in helping us to make decisions that support the needs of the community. If you have concerns, but are unable to attend the meetings, please send your concerns to the "Board of Selectmen", P.O. Box 30, North Clarendon, VT 05759. All correspondence will be reviewed and acted upon as necessary.

We would also request that you exercise your right to vote. Your vote is vital in assuring that balloting on issues and expenditures reflects the views of the majority of our community. Absentee ballots are available from the Town Clerks office for registered voters who are unable to come to the polls. New voters may register with the town clerk.

The year 1993 was a positive and productive one for the town. A significant settlement was finally reached with Crushed Rock Inc. which finally enabled the town to produce a realistic grand list upon which to calculate our tax rate.

Many road improvements were carried out by our town in 1993. Improvements were made to the "East Tinmouth road", paving done on the Middle road, Meadowcrest Drive, and the Creek Road, the Airport road was repaved and ditched (this was done primarily by the state with help from our own road crew). Ditching was completed in many areas as part of our continuing road maintenance. It was also necessary to purchase another Dump Truck for road maintenance.

The town has been notified by the state that two bridges, the iron bridge by the Ruane farm on the Middle Road as well as the Chippenhook bridge are due for replacement within the next three years. The estimated cost of the replacement with the assistance of the State is in the area of \$600,000.00. Your town will have to contribute a 10% portion of this cost. Anticipating this need the Selectmen recommend that a reserve be established that will provide a fund over the next three years that will defer placing the burden of providing a \$60,000.00 payment in one year.

We would like you to note that our towns tax delinquencies are still moderately high as a result of the general economy in the area. In conjunction with the tax collector, we have been able to keep tax sales to a minimum and look forward to better economic times in the future.

We are also pleased with development within the Clarendon industrial park. The opening of the Vermont Country Store as well as other business expansion has led to job opportunities in our community. We would like the taxpayers to note that there is a provision in the 1994 budget for approximately \$25,000.00 to be paid to the city of Rutland and VIDA as part of Clarendon's obligation for tax collection in the park. Now that the park is utilized, RIDC will provide assistance in the annual accounting required for this agreement.

Town cemeteries maintenance was continued in an efficient manner, as usual it is an annual battle against the weeds and brush, we want to thank all involved in cemetery maintenance and acknowledge their efforts.

1993 SELECTMEN'S REPORT (Cont.)

In summary, the present board of Selectmen would like to thank all of the Town of Clarendon employees, without whom our progress would not be possible. We commend you all for a job well done.

In closing we would like to thank all the townspeople for their support and input in the past year and look forward to their support and input in the future.

Respectfully submitted:

Ralph Austin
Robert Bixby
Frank Cecot
Michael Klopchin
David Potter

LISTERS REPORT

Many thanks again to the townspeople for supporting us! Your efforts help us to produce a fair and equitable Grand List for the town! We plan to upgrade our appraisal system to incorporate the use of the computer. This will provide us with a more efficient method of appraisal and provide the property owner with a report that is easier to read. We are usually available to answer questions or provide assistance during regular town office hours or by phoning 775-1536 for an appointment. Let's keep working together for the good of our town!

James Ingalls
Nancy Mutell
Kelly Stellato

TOWN CLERK'S REPORT

It was business as usual for the year 1993. Even though property transfers were few, four volumes of land records were recorded filling volumes 76, 77, 78 and 79. Many of the recordings were mortgage refinances due to the low interest rates.

There was an increase in the number of town residents who purchased transfer station stickers.

As required by state statute, the checklist was purged in 1993. The process for this is to have the Board of Civil Authority review the current list and send letters to those whom they believe are no longer residents in the town. Those in question have the opportunity to reply and if they are still residents, their names will remain on the checklist. If the board does not hear from them within a given time frame, they will be removed. Between the purging and those who requested to be removed, there were 170 names taken off the checklist leaving us with 1,565 registered voters.

Please call the Town Clerk's Office if you have any questions or are unable to come to the office for necessary business. We may be able to handle your business through the mail.

RUTLAND REGIONAL PLANNING COMMISSION ANNUAL REPORT - 1993

The Commission's Mission is to:

- A. provide leadership and technical expertise to encourage cooperative planning with and among the region's communities and areawide interests; and,
- B. strive to improve the quality of life for people in the region by promoting harmony between sustainable economic development, environmental interests and other planning issues.

In pursuit of that Mission, the Commission continued to work close with regional communities to create a cooperative and positive planning process and:

- Has worked with Poultney, West Haven, Rutland Town, Sudbury, Clarendon, Wallingford, Mt. Holly, Tinmouth, Shrewsbury, Ira, and Pawlet on revising or preparing their local plans or zoning regulations. In some cases, the Commission assisted in obtaining a state planning grant to cover some of the costs of this work.
- Initiated a comprehensive regional transportation planning program with the organization of the Rutland Region Transportation Council representing the region's 27 communities and focused on the development of a regional prioritized list of transportation projects for funding by the Agency of Transportation.
- Prepared a comprehensive update of the Rutland Regional Profile containing extensive information about the people and economy of the region.
- Continued our very successful cooperative purchasing program for fuels that has saved Hubbardton, Ira, Clarendon, Middletown Springs, Pawlet, Sherburne, Shrewsbury, Tinmouth, Wallingford, and "the Bus" and other non-profits and school districts substantial amounts on their fuel oil, diesel and gasoline purchases;
- Continued using our geographic information system to give communities graphical information that helps in local design making. Also we began work on assisting communities map local road names for future 911 system.
- Worked closely with the Rutland Industrial Development Corporation and the Rutland Region Chamber of Commerce to better coordinate our activities and programs.

Please join us as we contribute these and other efforts to generate regional cooperation and make planning in Rutland County a truly grassroots process.

**CLARENDON VOLUNTEER FIRE ASSOCIATION, INC.
CLARENDON, VERMONT 05759**

The Clarendon Volunteer Fire Department would like to again thank the townspeople and all of its supporters in the community.

In the past year, the department responded to 51 calls. Fortunately there were no structure fires. There were 550 man hours and 221 equipment hours. These hours do not include time for training, which is an integral part of our volunteer efforts. This year we purchased six sets of protective gear and four personal alert devices. The Department is in the process of installing a new heating system at North Clarendon station. We are in the preliminary stages of planning to replace two tanker trucks.

In October of 1992, I was elected Chief. As it is with any change, this has been a learning time for myself, the officers, and the firefighters. Fortunately we have a strong core of well-seasoned and dedicated firemen.

The Department is always looking for "a few good men or women", There are alot of tasks to be done. We look forward to a skill or talent you might have that would further the goals of the Association. Please give any firefighter a call if you think you might help out.

In conclusion I would like to thank the firefighters in the Department, the Fire Department Auxiliary, who make our duties easier, and the people of the Town of Clarendon for their continued support.

Sincerely,
John P. Hale
Chief

**THE CLARENDON FIRE ASSOCIATION AUXILIARY
CLARENDON, VERMONT 05759**

The Clarendon Volunteer Fire Association Auxiliary, along with the Fire Association, celebrated its' 30th anniversary in the fall of 1993. Special recognition was given to Jean Murray who had served as an officer of the organization for eighteen years. All members present received a Certificate of Appreciation for their years of support and hard work.

The purpose of the Auxiliary is to support and assist the Fire Association in its' efforts. We would like to take this opportunity to welcome any interested persons to join the Auxiliary, whose meetings are held on the second monday of each month at 7:30 p.m. at the North Clarendon station.

Our fund raising projects for 1993 included: Truck Show - food concession, refreshments and 50/50 raffle at the fireman's weekly Bingo and turkey raffle. We also assist the firemen in their projects and they in turn assist us in ours. Most of the funds we raise are turned over to the Fire Association for their expenses.

We participated in the Loyalty Day Parade and the Annual State Firefighters Convention held in Bennington. We earned three first place trophies in the sporting events and one parade trophy.

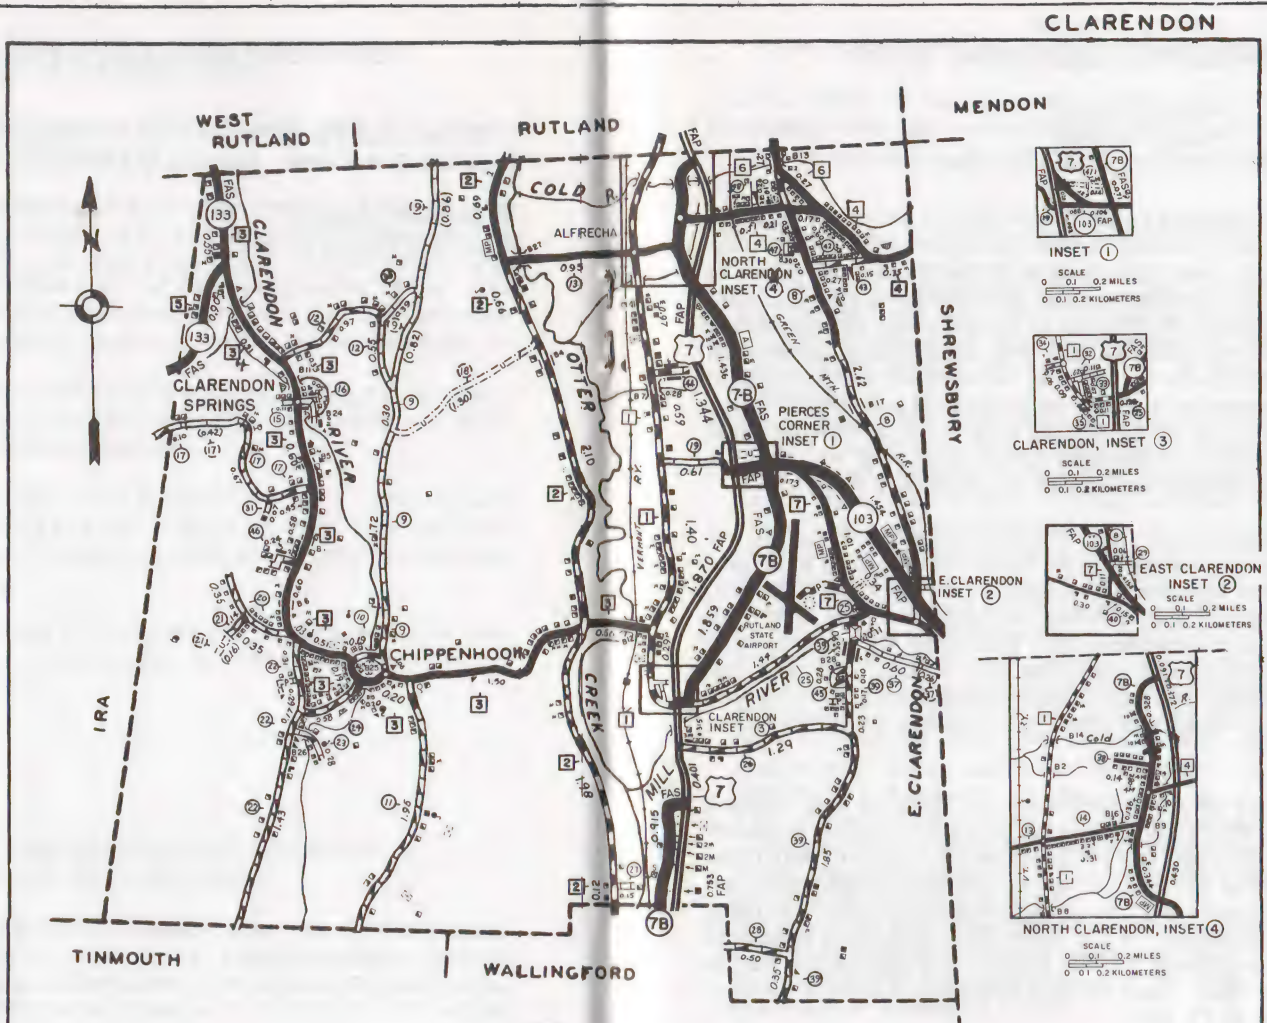

CLARENDON FIRE ASSOCIATION AUXILIARY (Cont.)

Officers elected for 1994 are: Joyce A. Pedone - President, Tammy Parker - Vice President, Beth Sheehe - Secretary and Beverly D. Brown - Treasurer.

Respectfully submitted,
Joyce A. Pedone, President

VERMONT CENTER FOR INDEPENDENT LIVING

Report to Towns
Fiscal Year 1993
October 1, 1992 - September 30, 1993

The Vermont Center for Independent Living is a private, not-for-profit organization of Vermonters with disabilities working together for dignity, independence, and civil rights. Our goals are to increase opportunities for people with disabilities to participate fully in the life of our communities and to dismantle the physical, communication, and attitudinal barriers that prevent us from realizing our full human potential. We work together with other citizens with disabilities to achieve full human and civil rights and equal access to community services and opportunities; to increase the availability of community resources and options for independent living; and to gain the power to control and direct our own lives. VCIL is Vermont's first and only statewide cross-disability independent living center and was the first organization in Vermont to be directed and staffed by people with disabilities.

VCIL serves over 3,000 Vermonters a year. We offer: information and referral services, one-on-one peer advocacy counseling, assistance with obtaining equipment and services that enable persons with severe disabilities to live more independently, assistance in making home entrances and bathrooms handicap accessible, community advocacy, information about the Americans with Disabilities Act and other civil rights laws, help in obtaining accessible and affordable housing, and meals-on-wheels for persons with disabilities. We have offices in Montpelier and Brattleboro as well as a network of locally-based peer advocate counselors serving the entire state.

In FY 1993, staff members of the Information and Referral and Assistive Technology programs responded to 1,896 requests for information and/or assistance state-wide. The Home Access Project received 25 requests for assistance with home accessibility modifications during the year: 22 projects totaling \$26,400 were completed. Counselors in the Peer Advocacy Counseling program provided 2,450 hours of service to 360 peers with disabilities. VCIL renewed its cooperative agreement with the state to provide approximately \$70,000 annually to individuals in the Independent Living Services program. Staff of the Community Advocacy program made 1,843 advocacy contacts in FY 1993.

For more information contact Vermont Center for Independent Living, 174 River St., Montpelier, VT 05602-3573; telephone: (802) 229-0501 and 1-800-639-1522 (Voice and TDD) or VCIL South, 230 Main St., Brattleboro, VT 05301; telephone: (802) 254-6851 (Voice and TDD).

RUTLAND COUNTY SOLID WASTE DISTRICT ANNUAL REPORT

During 1993, the Rutland County Solid Waste District had its 20 year waste management plan approved by the State of Vermont and switched its disposal system from an un-lined landfill to a lined landfill that meets new federal management standards.

The 1993 Report. A year ago, we established 6 goals for 1993:

1. We wanted to **expand recyclables** to include boxboard. We did. In addition, we are now running a pilot collection program of milk cartons from schools.
2. The second goal was to **implement commercial recycling in Rutland City**. We have started although there is more to be done to make the program work smoothly.
3. We wanted to refine recycling to **remove contaminants**. We have made some progress in this area, but we still have a lot of contaminants.
4. We set the goal of **exploring new recycling processing contracts and facilities**. We have. There are three major recycling contract bids out as of the end of 1993. One of these contemplates the building of a District owned recycling facility. The voters may well be asked to let us create this facility on town meeting day in 1994. We have entered into more lucrative contracts for the sale of junk metal and appliances and junk mail and magazines. While it still costs money to recycle, it clearly costs less than disposal does. It cost \$80 a ton to landfill magazines. It only costs \$55 a ton to collect, market and ship magazines to a paper mill in New Jersey. We wanted to **recycle construction and demolition waste**. As part of the planning for a District recycling facility, we have included an element that will allow us to recycle about 60% of construction waste at rates up to 50% lower than currently being charged for legal disposal. We hope to have this system implemented by the summer of 1994.
5. The District wanted to **expand the compost program**. During the fall of 1994, 1,500 yards of yard waste was collected, ground and composted in this year's program. This represents a tripling of yard waste composted this year over last year and a much better end product.
6. We wanted to **expand our hazardous waste program** to take unregulated hazardous waste from small business generators. As of September of 1993, we started to take this waste from businesses on a cost basis. We hope to expand this program to more businesses in 1994.

Plan for 1994. We want to assure that we can continue recycling on a cost effect basis. We rely on recycling to save on disposal costs which would be twenty percent higher if we didn't recycle. To hold down the cost of recycling, we are looking to use long-term contracts with price guarantees and the creation of a District recycling facility if the current bid process dictates that this is the least expensive alternative. Using these measures is crucial if we are to continue saving money through recycling. Recycling of regular wastes and construction was to avoid high disposal costs are the two major goals for 1994.

RUTLAND COUNTY SOLID WASTE DISTRICT (Cont.)

Money. As the District has shifted for state funding to local funding and shifted from an unlined landfill to a lined landfill, costs have increased. The expense of running the District solely with local money increased disposal rates by 1% over 1992. The expense of disposing of wastes in a lined landfill increased the costs of disposal 10% over the 1992 rates. In spite of this, the cost of disposal is about 10% LESS than the rates paid by our neighboring Districts using lined landfills or incinerators. **No new taxes or fees or higher disposal costs for towns are planned for 1994.** Recycling, which now recovers more than 30% of our waste stream, is saving more than \$100,000 a year in money that would otherwise be paid out for landfilling of these wastes.

REGIONAL AMBULANCE SERVICE, INC. ANNUAL REPORT (Fiscal Year Ending June 30, 1993) 10 Years of Service 1983 - 1993

To the Honorable Citizens of the Town of Clarendon VT:

We are pleased to present our annual report to the Citizens of the Town of Clarendon. Regional Ambulance Service, Inc. has continually provided emergency and non-emergency ambulance service for ten years. In our first year of operation our ambulances responded to 2,557 calls. This past year, ending June 30, 1993 the service responded to a total of 4,687 ambulance calls and an additional 1,580 Paramedic intercept calls in our 12 communities.

With the continued support of the citizens, our employees and community governing bodies, we have held our assessments at the same rate for nine consecutive years and are pleased to report that the assessment rate for next year has been lowered from \$6.3285 to \$6 per capita. We extend our appreciation to everyone for their support.

This year, at the Vermont State Emergency Medical Services Conference, Regional Ambulance Service, Inc. was given the highest honor for an ambulance service and named Vermont Emergency Medical Service of the Year 1993. This award was for our community programs and overall performance of the past 10 years. We are very proud of the Pride, Proficiency, and Professionalism our staff has continuously demonstrated and again thank you for your support.

As noted our call volume has continuously increased. During this past year it became necessary to add another ambulance and begin construction on an addition to our building for this vehicle. An older ambulance box was remounted on a new chassis and 5 more employees began Paramedic training. All in an effort to efficiently and professionally serve the public.

We would also like to thank Aldo Manfredi who was the City of Rutland R.A.S. Board Representative for his 8 years of service. Aldo Manfredi retired in January 1993.

Our professional staff is extremely capable and dedicated. The public is encouraged to visit and talk to the employees and administrator at our Stratton Road facility. Please feel free to contact James Finger, Administrator, or your representative, Mrs. Doris Weeks if you have any question concerning the service.

This report has been dedicated in grateful memory of Amelia G.W. Taylor, Charter Board Member and President of the Board of Directors from 1989 to 1993. Her leadership and dedication was recognized by all.

We are proud of our accomplishments and look forward to serving you in the future. The Board of Directors and Administration of Regional Ambulance Service, Inc., will continue striving to provide the highest quality of emergency ambulance care at the lowest possible cost to all of the citizens we serve.

Sincerely:

Paul Kulig, President
Board of Directors

Mrs. Doris Weeks
Clarendon Representative

RUTLAND AREA VISITING NURSE ASSOCIATION 7 ALBERT CREE DRIVE RUTLAND, VERMONT 05701 ANNUAL REPORT 1992-1993

To The Citizens of The Town of Clarendon:

The Rutland Area Visting Nurse Association's forty-sixth year, was indeed a year of great change and continued meteoric growth. A new executive team, internal restructuring and an emphasis on high quality, flexible, cost effective care supported and enhanced services in our area.

We have felt keenly our responsibility to the community to provide the same quality of care to those who have limited means, as to those who have insurance or other methods of reimbursement. Never losing sight of this mission of universal access, growth has occurred with an emphasis on better meeting the needs of the individuals and communities that we serve. We are equally committed to remaining at the cutting edge of our industry through the development of innovative programs and ways of delivering services.

One of the driving forces is cost containment. It is no longer enough to simply provide quality care. Payers, including Medicare and health maintenance organizations, insist on a competetive price. To that end, the Rutland Area Visiting Nurse Association was pleased to receive word from the Health Care Financing Administration that Vermont's non-profit home health agencies have the lowest average charge, per Medicare home health visit, in the entire country. RAVNA's average cost per visit during that same time period, was the lowest in the State.

One might expect that cost effective care requires compromising quality, but this has not been the case with RAVNA. For an unprecedented, third, consecutive year the agency passed it's annual comprehensive Medicare survey without a single deficiency.

We have built a strong infrastructure and foundation to meet the challenges of the coming decade. A 38% increase in the size of our full and part-time staff helped to keep pace with annual increases in demand of nearly 30%. Services to Clarendon residents jumped 34% from 41 in 1991/1992 to 55 unduplicated clients in 1992/1993.

Town visit counts, through June 30, 1993, increased by 69% to 3165 total home visits spread out over the following disciplines:

Skilled Nursing.....	848 visits
Physical Therapy.....	231 visits
Speech Therapy.....	34 visits
Occupational Therapy.....	81 visits
Homemaker.....	228 visits
Home Care Aide.....	1,725 visits
Medical Social Services.....	18 visits
Prenatal Couples.....	6 clients
Hospice.....	1 client

RUTLAND AREA VISITING NURSE ASSOC. (Cont.)

Community Health Programs continued to reach hundreds of town residents at their worksites, community groups and schools with health promotion, screening and safety initiatives. Childbirth education, senior wellness and flu immunization clinics, occupational health services, cancer screening and fitness events are just a few of the many programs sponsored by the Rutland Area Visiting Nurse Association.

The Board of Directors is proud to report that, during these recessionary times, we have provided needed home and community health services without regard for individual ability to pay or geographic location. This commitment to universal access is fundamental to our mission and corporate philosophy and is made possible by public support, United Way funding, foundation grants and individual gifts. As always, we are grateful for this vote of confidence.

As we plan for the evolving future of health care in Vermont, the Rutland Area Visiting Nurse Association is positioned to address any outcomes resulting from Vermont's health care reform effort. We are committed to working in partnership with government, individuals and institutions to foster and strengthen these vital linkages. Quality patient care and community services at RAVNA stem from a dedicated staff, a committed Board of Directors, a network of strong committees and loyal community support. It is with confidence and appreciation that we welcome the challenges that lie ahead.

Ronald J. Cioffi
Executive Director

ANNUAL REPORT RUTLAND COUNTY WOMEN'S NETWORK AND SHELTER

In 1993 our agency helped over 2650 people with 37 coming from North Clarendon. Some of the services we offer are shelter for women and children who are victims of domestic violence and sexual assault and shelter for homeless women and their children. In addition we run a 24-hour crisis line and provide crisis response on the phone, in the hospital, police station, or at the Shelter, and assistance with the Vermont Court System. We also provide individual and group counseling, help in obtaining clothing, food, and assistance in beginning a new life and a safe household.

This year we applied for a grant to expand our very busy facility. We hope to purchase the building that is next door to the existing shelter and renovate both buildings to meet our growing needs.

We are very grateful for the help that the people of North Clarendon have given us in the past years. You have helped to make us able to meet the growing needs of families who choose to live in safety.

SOUTHWESTERN VERMONT COUNCIL ON AGING

Report to the Citizens of Clarendon

This agency expects to spend 23,359 to provide services needed by elder residents in your community during the current fiscal year.

The following information describes services that we provided to elders in your community during the fiscal year ending September 30, 1993:

Senior Meals

Site: Clarendon

Schedule: Thursday

918 congregatè meals were served to 43 elders residing in your community.

1,389 meals were delivered to the home of 15 elders who were homebound and unable to come to the mealsite. This service is sometimes called "Meals on Wheels".

Senior Advocate Assistance

23 older persons received assistance through this important program. Advocate staff helped elders fill out application forms and worked to resolve any problems related to receipt of benefit programs or other assistance. Guidance was also provided to persons having questions or problems related to health insurance claims or medical service payments. Advocates also helped elders file Vermont tax rebate claims and provided assistance with fuel program application.

Other Services

The following list outlines some of the other services we made available to elders in your area either directly or through contract:

- **Long Term Care Ombudsman:** This individual was available to provide assistance to residents of nursing and residential care homes in our region. She helped elders or, if appropriate, family members to sort out information concerning financial assistance and other concerns related to long term care.
- **Information and Referral:** Our agency maintained an up-to-date listing of programs and services available to elders. Older persons were able to get this information by either calling our I & R line or by visiting our agency.
- **Legal Service Attorney for the Elderly:** Funding was provided by our agency to help pay for the services of an attorney whose role was to focus on legal issues of concern to older persons. This attorney worked out of the Vermont Legal Aid Office in Rutland.
- **Essential Transportation:** Through agency arrangement, a limited number of elders were provided with to get to medical appointments or to do essential shopping. Volunteer drivers received reimbursement from our agency for mileage costs incurred in providing this transportation assistance.

RETIRED SENIOR VOLUNTEER PROGRAM
71B Williams Street, Rutland, Vermont 05701
(802) 775-8220

Dear Residents of the Town of No. Clarendon:

The Retired and Senior Volunteer Program is a nationwide program for people 55 and older who want to help meet community needs through meaningful use of their skills and knowledge in volunteer service to non-profit organizations.

RSVP is especially proud that in 1993 we are celebrating our 20th year of providing services to residents of Rutland County through these organizations.

Last year, 400 RSVP volunteers throughout Rutland County contributed over 68,204 hours of service to more than 85 not-for-profit organizations.

Currently there are 10 active RSVP volunteers from No. Clarendon who donate their time to the following organizations: Eden Park Nursing Home, Godnick Center, McKerley Health Center, N'tl. Council Sr. Citizens, Pleasant Manor Nursing Home, One 2 One Program, Phoenix Theater, RSVP, Rutland County Court Diversion Program, Rutland Regional Medical Center, Rutland Senior Chorus, SW Vt. Council on Aging, VT. Association for the Blind.. Their combined hours of service totaled 1381 in 1992.

We thank the voters of the Town of No. Clarendon for the support that has been shown RSVP over the years and we pledge our continued efforts to be of service to you. If you are a senior citizen with some spare time to give, please call RSVP at 775-8220. Your community needs your special skills! With RSVP, we will help you help the Town of No. Clarendon. Thank you.

Sincerely,

Anne. P. Rowe, Director
November 4, 1993

RUTLAND AREA COMMUNITY SERVICES
78 SOUTH MAIN STREET, P.O. BOX 222
RUTLAND, VT 05702
(802) 775-8224
FAX (802) 775-3307

To the Residents of Clarendon for 1994 request:

Rutland Area Community Services (formerly Rutland Mental Health Services) continues to be presented with a dramatic increase in serious mental health and substance abuse problems. Of particular note are the increasing numbers of children who are at risk within their families and persons in need of treatment for substance abuse.

Because funding has not increased with demand, we are prioritizing persons that appear to be most at risk. Thus, your support becomes even more important and Rutland Area Community Services stretches its resources to meet the priorities and increasing demands by an increasingly higher risk group of Rutland County citizens.

The fees we collect for these services generate only a portion of the actual cost. The remainder must come from State, Federal, and local funds, such as United Way and Town Giving. Your support in the past has been greatly appreciated. We are asking for level funding.

Rutland Area Community Services offers various support groups and educational programs for individuals and health providers in Rutland County; plus psycho-educational assessments and family interviews in order to help develop the most appropriate educational plan for students with learning/behavioral difficulties, who are referred by your school.

The Evergreen Center for Alcohol and Other Drug Services, our substance abuse program, continues to expand to better address the growing need for drug and alcohol treatment.

The Associates in Child and Family Services, our affiliate, 65 Grove Street in Rutland, has provided services to children, adolescents, parents, couples and individual counseling.

During the past year we provided 1,210 units of service to individuals from your community. These services included crisis intervention, adult brief therapy, substance abuse treatment, inpatient psychiatric care, child and family treatment, and extended care services.

We invite you to contact our main office (775-8224) with any questions you may have.

Gilbert D. Aliber
Chief Executive Officer

Thomas Huebner, President
Board of Directors

VERMONT LEAGUE OF CITIES AND TOWNS ANNUAL REPORT

The Vermont League of Cities and Towns (VLCT) is an association of 243 of 246 cities and towns in Vermont. The organization was founded in 1967 as a non-partisan wholly owned instrumentality of the municipalities to serve the interests and needs of Vermont local governing officials. VLCT is supported entirely by revenues from local governments voted at Town Meeting and therefore works entirely on behalf of Vermont's cities and towns.

In the nineteen nineties the job of local official has grown more complex than ever and the level of technical knowledge required to do the job is constantly increasing. Local officials are responsible for a vast number of laws and regulations to assure their residents health and welfare, ranging from protection against rabies to keeping roads clear to responsibility for solid waste management under new stringent federal and state laws. VLCT provides educational opportunities to local officials on topics of timely interest, such as complying with new federal and state regulations for handicapped access to facilities and for providing policies to protect against sexual harassment, as well as courses on a regular basis in roles and responsibilities for new selectmen, administering zoning bylaws, handling hazardous materials, tax collection issues and other topics that are vital to the running of local governments. In addition VLCT provides manuals on responsibilities of different officers, and answers questions about any local government issue. Approximately 5000 questions were answered in the last year. A staff attorney is also available to give legal opinions on municipal questions. VLCT is committed to helping municipal leaders develop expertise in their city and town jobs and appropriately handle the complex problems that face them daily.

VLCT offers insurance "trust" programs to municipalities that save taxpayers thousands of dollars every year because member municipalities pool their resources. In 1993 alone, the VLCT insurance programs returned a combined \$1,300,000 to member municipalities. **Since 1983 total distributions from the Health, Property and Casualty and Unemployment Trusts equaled \$3,250,000.**

The VLCT News and VLCT Weekly Legislative Report provide municipal officials with up-to-date information on legislative issues and articles of special interest or topics such as personnel management, available grant program funds, underground storage tank registration amnesty programs and compliance with the Safe Drinking Water Act.

VLCT represents the interests of local government in the legislature, using as a basis for positions on different subjects the *VLCT Municipal Policy*, a platform that is adopted by the membership at its annual business meeting in October. The *Municipal Policy* covers subjects ranging from property tax reform to Act 250 reform to mandating rabies inoculation of cats.

Dues paid by member municipalities to VLCT are vital to its continued existence. Municipal officials around the state thank you for your support in 1994.

Karen B. Horn, Director
Legislative and Membership Services

III. SUPERINTENDENT'S REPORT

A. Enrollment:

Student enrollment at the Clarendon Elementary School for the 1993-94 school year is 339 students. This figure is up slightly from 1992-93 and we expect a small decrease for next year. At Mill River Union High School the number of Clarendon students attending has decreased slightly from 284 to 262 students. This decrease is significant because the Clarendon assessment (taxes paid to Mill River) is based upon the number of Clarendon students that attend. A decrease in Clarendon students means Clarendon pays a smaller percentage of the total costs. Please note the complete enrollment tables above.

III. SUPERINTENDENT'S REPORT (Cont.)

C3

B. Personnel:

A listing of teachers and other staff members along with their individual assignments, is listed on the first page of this report. All staff members are to be commended for the special efforts they make on behalf of our school and students. New staff members for the 1993-94 school year include: Kathleen Maher, health education, and William McMellon, special education. We express our appreciation to Susan Crowther and Angela Lettiere who have left Clarendon after numerous years of service. Special words of appreciation go out to our administrators, Meredith Voutas and Robert Snarski for their leadership in supporting students, teachers, and our instructional program.

C. Curriculum:

At each grade level groups of teachers work together as instructional teams in collaborative efforts to improve the quality of instruction. We currently have two classes at grades one and three; all other grades have three classes. We continue to offer workshops and courses to help improve instructional skills of our teachers. This past summer we offered a two week workshop on the "Responsive Classroom". These sessions gave teachers the opportunity to practice skills in: Morning Meetings; Rules and Logical Consequences; a new Classroom Organization; Choice and Guided Discovery; new Means of Assessment; and Reporting to the Parents. We have also been promoting efforts to involve parents in meaningful collaboration with teachers. This past fall we trained both parents and teachers as facilitators to lead community discussions and interactions.

D. Student Performance Assessment:

The following information illustrates the performance of Clarendon Elementary School students relative to several state and national standards:

Vermont Writing Assessment (Grade 4) (RSSU).....	Above State Average
Vermont Mathematics Assessment (Grade 4) (RSSU)	State Average
Mathematics Multiple-Choice Test (Grade 4) (RSSU)	Above State Average
Stanford Achievement Reading/Math (Grade 6)	Above National Average
Stanford Achievement Reading/Math (Grade 5)	Below National Average
Stanford Achievement Reading/Math (Grade 3)	Above National Average

E. Facilities:

Maintaining and operating our school facilities requires a great deal of attention and approximately 9% of our operational budget. In the older parts of the building some electrical and mechanical equipment requires more maintenance and sometimes replacement. Also, we continue to do painting of our walls on a regular basis to keep the building attractive. All classrooms are presently being used on a regular basis and if it becomes necessary to have three classrooms at all grade levels it will be difficult to find adequate space for all activities. Presently we do not have adequate space for: special education; conferences; and cafeteria and physical education (which must share the same space).

F. Budget and School Taxes:

The proposed budget for the 1994-95 school year, which is outlined in some detail in the financial statements within this report, has total expenditures of \$1,910,688 for the operation of the Clarendon Elementary School. This represents an increase in expenditures of 3.7% over the estimate for the current year. To fund this budget it will be necessary to raise \$766,885 by taxes. When combined with the tax assessment for Mill River the total school will be \$1,412,951. This is an increase of 16.8% over the current year.

III. SUPERINTENDENT'S REPORT (Cont.)

C4

G. Teacher Salary Schedule:

The teacher salary schedule for the 1993-94 school year has a base salary of \$20,443, step increments of \$700, and a high salary of \$37,243 for a teacher with advanced degrees and twenty years of experience. The average salary for Clarendon teachers for the current year is \$29,600. This compares with a state average of \$33,813 for the previous year, 1992-93.

H. Special Education:

Special education programs are supported jointly by state and local funds as illustrated by the table below. These programs support the goal of providing full educational opportunities for all handicapped youngsters and include: speech and language; EEE (early essential education); resource room; learning lab; consulting services; and special placements. Anyone with knowledge of youngsters in need of services (including preschool) is encouraged to contact the office of the superintendent of schools (775-3264). Special education costs are increasing because the number of students with special needs is increasing, and in some cases needs are more severe. All special education costs and state revenues are included in the financial reports. A summary of these is listed below.

	Actual 92-93	Estimate 93-94	Budget 94-95
Special Ed. Expenditures	\$171,864	\$347,238	\$378,495
State Revenue	\$133,330	\$204,300	\$216,300
Net Local Costs	\$38,534	\$142,938	\$162,195

I. Federal Programs:

Rutland South Supervisory Union receives a limited amount of federal funds which support educational programs in all of our schools. These include: Chapter I which supports remedial reading instruction; Chapter 2 which provides funds for mini grants for teachers, the purchase of instructional materials, counseling services, and curriculum development; and Title II which supports improvements in mathematics and science instruction. Parents or others wishing to have additional information or to comment on these programs are encouraged to contact the office of the superintendent of schools.

J. School Board Meetings:

The Clarendon School Board meets on every first and third Tuesday of each month at 6:30 p.m. in the library of the elementary school. Also, the Board holds special meetings to transact other business such as personnel negotiations.

K. Nondiscrimination Policy:

The Clarendon Town School District offers employment and educational opportunities without regard to sex, race, color, national origin or handicap. Inquiries regarding this nondiscrimination policy may be directed to: Henry J. Burnham, Superintendent. Telephone 775-3264.

CLARENDON TOWN SCHOOL DISTRICT

WARNING

ANNUAL SCHOOL DISTRICT MEETING

The legal voters of the Town School District of Clarendon, Vermont are hereby notified and warned to meet at the Clarendon Elementary School at seven-thirty (7:30) o'clock in the evening on Monday, February 28 1994, for the annual town school district meeting. The polls will be open on Tuesday, March 1, 1994 at the Clarendon Elementary School, from ten (10) o'clock in the morning until seven (7) o'clock in the evening for the purpose of voting by Australian Ballot. The business to be transacted will include:

ARTICLE 1 To elect a moderator for the term of one year.
(By Australian Ballot)

ARTICLE 2 To elect one school director for the term of three years.
(By Australian Ballot)

ARTICLE 3 To elect one director to the Mill River Union District 40 Board for a term of three years.
(By Australian Ballot)

ARTICLE 4 To vote to authorize the School Directors to borrow money temporarily as may be required to pay orders.
(By Australian Ballot)

ARTICLE 5 To vote to approve a total budget of \$1,910,688.00 for the operation of the elementary school, with \$766,885.00 to be raised by taxation.
(By Australian Ballot)

ARTICLE 6 To transact any other business proper to be done at said meeting.

Sherry Mayo

Carol Lyle

Leland Congdon

School Directors

Dated at Clarendon, Vermont this 20th day of January 1994.

WARNING
TOWN OF CLARENDON
1994 ANNUAL TOWN MEETING

The legal voters of the Town of Clarendon are warned to meet in the Clarendon Elementary School on Monday, February 28, 1994 at 7:30 P.M. to act on articles as designated in the Warning and to meet again on Tuesday, March 1, 1994 at the Clarendon Elementary School between the hours of 10 A.M. to 7 P.M. to vote on articles by Australian ballot as designated in the warning.

ARTICLE 1. Shall the Town act on all Town Officers reports?

ARTICLE 2. Shall the Town pay taxes to the Treasurer?

ARTICLE 3. Shall the Town authorize the Selectmen to borrow money in anticipation of taxes?

ARTICLE 4. To elect: Moderator [1 year term]
Selectman [3 year term]
Selectman [2 year term]
Lister [3 year term]
Auditor [3 year term]
Road Commissioner [1 year term]
Town Grand Juror [1 year term]
Town Agent [1 year term]
Delinquent Tax Collector [1 year term]
2nd Constable [2 year term]
[All by Australian Ballot]

ARTICLE 5. Will the Town raise by taxation the sum of \$471,785.61 to provide funds for the General Government and Highway Expenditures? [Australian Ballot]

ARTICLE 6. Shall the Town set annual compensation for the Selectmen at \$1,000.00 each for the calendar year January 1, 1994 thru December 31, 1994? [Australian Ballot]

ARTICLE 7. Will the Town raise by taxation the sum of \$26,000.00 for the support of the Clarendon Volunteer Fire Association Inc.? [Australian Ballot]

ARTICLE 8. Will the Town raise by taxation the sum of \$17,010.00 for the support of the Regional Ambulance Service, Inc.? [Australian Ballot]

ARTICLE 9. Will the Town raise by taxation the sum of \$3,339.00 for the support of the Rutland Area Visiting Nurse Association? [Australian Ballot]

ARTICLE 10. Will the Town raise by taxation the sum of \$1,200.00 for the support of the Clarendon Senior Meals Site? [Australian Ballot]

WARNING (Cont.)

- ARTICLE 11. Will the Town raise by taxation the sum of \$2,200.00 for the support of the Rutland Mental Health Services? [Australian Ballot]
- ARTICLE 12. Will the Town raise by taxation the sum of \$1,418.00 to support the Bennington-Rutland Opportunity Council, Inc.? [Australian Ballot]
- ARTICLE 13. Will the Town raise by taxation the sum of \$30,000.00 for road resurfacing and repair? [Australian Ballot]
- ARTICLE 14. Will the voters of the Town of Clarendon approve the sum of \$2,300.00 for the purposes of constructing an athletic field on town property adjacent to the Transfer Station on Rt 7B& [Australian Ballot]
- ARTICLE 15. Shall the Town raise by taxation the sum of \$20,000.00 for the year 1994, \$20,000.00 for the year 1995 and \$20,000.00 for the year 1996 to be held in a reserve fund under the control and direction of the Selectmen. The purpose of said reserve fund is to pay the Town's share of the anticipated cost for replacement of Bridge #14 located on T.H. #1, pursuant to a Finance and Maintenance Agreement with the State of Vermont date January 12, 1993 and Bridge #25 located on T.H. #10, pursuant to a Finance and Maintenance Agreement with the State of Vermont dated December 23, 1992? [Australian Ballot]
- ARTICLE 16. Shall the Vermont State Legislature enact legislation that states: Any law requiring the expenditure of local funds for state purposes shall be effective only upon the affirmative vote of the freeman and woman in each locality and that state land shall be subject to the property tax unless an exemption is approved by the voters of the municipality within which the land is located? [Non-binding - Advisory vote only]
- ARTICLE 17. To conduct any other lawful business.

CLARENDON BOARD OF SELECTMEN:

Ralph Austin, Chairman
Robert Bixby
Francis S. Cecot
Michael J. Klopchin
David E. Potter

Posted: January 30, 1994

Attest: Joyce A. Pedone, Town Clerk

TOWN OF CLARENDON ANNUAL TOWN MEETING

Monday, March 1, 1993

Clarendon Elementary School 7:30 P.M.

- Article 1. Shall the Town act on all Town Officers reports? John Colvin moved to have article five to be considered after article fourteen, seconded by Earl Ayer. Motion carried by voice vote. Arthur Knox moved to approve reports as submitted in the Town Report, seconded by Michael Pedone. John Colvin delinquent tax collector, asked why his report had been changed. Ann St. Peter treasurer, stated that two people had been listed as delinquent due to double listings. John said that the Board of Adjustment (Abatement) was the only way to make the changes. Arthur Knox, Auditor, said that if a mistake was found the auditors should correct it. Marty Wasserman asked who made the changes. The auditors made the changes. John Colvin took objection saying that no one should change the report. Betty Wehse moved to amend the motion to remove the delinquent tax collector's report from the main motion, seconded by Doug Bradley and carried by voice vote. Gail Gillam noted that the figure on page eight for 1992 net taxes was \$563,345.33 but should be \$536,345.33. Ann St. Peter said it was a typographical error. A vote on the main motion as amended was taken and carried by voice vote. A suggestion was made to table the delinquent tax collector's report. James Philbrook moved to table the delinquent tax collector's report, seconded by Mary Trombley. James Doherty asked what changes had been made. Ann St. Peter stated that two accounts were deleted for a total of \$3,210.24 for the 1992 taxes. Betty Wehse asked if we could move on. After further discussion on the issue, a vote on the motion was taken and carried by voice vote.
- Article 2. Shall the Town pay taxes to the Treasurer? Gary Cuttitta moved to pay taxes to the Treasurer, seconded by Al Bourassa and carried by voice vote.
- Article 3. Shall the Town authorize the Selectmen to borrow money in anticipation of taxes? Walter Deinzer moved to authorize the Selectmen to borrow money in anticipation of taxes, seconded by Betty Wehse and carried by voice vote.
